1. Read the words in the table and highlight the '-ite' endings. Sort them into 2 lists based on how you say the final syllable and write them in your book. Next to each word, break it up into syllables. Underline the 'ite' ending. (op - po - site)
2. Write a sentence explaining the differences in the pronunciation of '-ite' in both sets of words.

camouflage	lightning	parallel
------------	-----------	----------

3. Read the Heart words above. Use the method you use in class to tap them, use your spelling voice or split them into syllables. Write them 3 times each.
4. Write a sentence for each Heart Word, making sure to show the word's meaning in the sentence, e.g. do not write a sentence like 'I don't know what parallel means.' Don't forget to COPS your work.
