

Phase 6 Week 30: Root -flect- -flex- (bend/curve)

1. Record in a sentence in your book the meaning of the roots -flect- and -flex-.

re- de- in-	flect	-ion -ive -or	-ed -ing -ive -ly
-------------------	--------------	---------------------	----------------------------

2. Write as many REAL words as you can using this matrix. *Remember: read from left → right. Not every morpheme can connect with every root or suffix; your finished word must be a real word.*

re- in-	flex	-ible -ion -or	-ity -ive -ed -ing
------------	-------------	----------------------	-----------------------------

3. Write as many REAL words as you can using this matrix. *Remember: read from left → right. Not every morpheme can connect with every root or suffix; your finished word must be a real word.*

4. Write 5 of your own interesting sentences that include:
- At least one word from each matrix.
 - A conjunction, adjective and adverb.
 - COPS your work and focus on correct letter formation.
